What can my care manager help me with?

A care manager can help you stay healthy by assisting with:

• Appointment scheduling and reminders

• Coordination between your health care providers, including primary care doctors, pediatricians, specialists, and more

• Getting answers to questions about your health care

A care manager can also help provide links to:

Housing, transportation, and food

Health insurance

Medications

Who can join a Health Home?

Anyone who is eligible for Medicaid and has two chronic diseases such as diabetes, asthma, heart disease, high blood pressure, substance abuse or obesity, HIV/AIDS, or a chronic mental illness may be able to join.
