Achievements

- Participant in the National Institutes of Health, All of Us Research Program, to diversify biomedical research nationwide - currently in Beacon and expanding to Poughkeepsie in 2019

- Successful partnership with ArchCare to run a mobile health center van to serve local communities in need of health care access

- 83% success rate for hypertension management among patients, and successful breast cancer and diabetes screening campaign results at the Alamo Health Center

- Alamo Farmworker Community Center provides social services, hot meals, and community adult and youth groups seven days a week

- HRHCare Middletown is a unique model, where our primary care services are embedded within a behavioral health setting at ACCESS: Supports for Living

- Successful hypertension screening campaign results at HRHCare Walden

- Connecting patients at Poughkeepsie Family Partnership to the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) program, the largest of all HRHCare sites

- HRHCare Urgent Care site co-located with primary care in Poughkeepsie

- Highly successful medication assisted treatment (MAT) program for opioid use disorder, as well as a successful Narcan (Naloxone) training program
