Percentage of Patients by Insurance Type

Achievements

- Successful community outreach events, including LGBTQ youth focused programs
- Our 340b program provide patients with critical medications at low-to-no cost, including HIV medications and Suboxone
- In-house pharmacy
- Implemented Project SUCCEED, with the NYC Department of Health Viral Hepatitis Division to identify HIV/HCV positive patients and link them with care resulting in 68% of patients with hep C having an undetectable viral load
- Received the only SAMHSA Patient Navigation grant in New York State to connect young MSM and transgender women to medical and supportive social services
- One of six HIV Undetectables Programs in NYC with 200 patients enrolled, all of whom have achieved over 90% viral load suppression rate
- Successful opioid replacement therapy program for opioid use disorder
- Expanded Adult Day Health Care program
- Our Special Project of National Significance (SPNS) serves as a resource for other health centers interested in replicating our model of primary and behavioral health integration
- Successful TransHealth advocacy and support program offers education and pre/post-operative support for transgender individuals
- Served over 2,600 clients in Medicaid Care Management at the Bronx Health Home
